SUMMARY OF SUBSTANCE OF PERSONAL INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants appreciate the courtesies shown to Applicants' representative by Examiner Burch in the March 22 personal interview. Applicants' separate record of the substance of the interview is incorporated into the following remarks.

The arguments set forth in Applicant's March 12, 2007 Request for Reconsideration were discussed. Agreement was reached that the objection to claim 6 would be overcome by clarifying recitation of "the wheels" to "the front and rear wheels." Examiner Burch agreed to make this change by way of Examiner's Amendment.

Agreement was also reached that pending claims 1-13 distinguish over Yokoyama in view of Banno for the reasons advanced in the March 12 response.

Accordingly, the application should be in condition for allowance.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
